ITINERARY

Day 1 – Nairobi → Masai Mara National Reserve

A representative will pick you up at your hotel, residence, or airport and transfer you to Wilson Airport for the morning flight to the Masai Mara National Reserve. The flight lasts approximately 1 hour and offers spectacular aerial views of the Great Rift Valley and the rolling savannah below. Upon arrival at the Masai Mara airstrip, you will be greeted by your professional driver-guide and enjoy a photo safari en route to your lodge. The Masai Mara is Kenya's premier wildlife destination, with an extraordinary abundance of wildlife, including lions, elephants, cheetahs, and the famous annual wildebeest migration.

Arrive at Mara Engai Wilderness Lodge in time for lunch and check-in. In the late afternoon, depart for your first photo safari, experiencing the magic of the Mara as the sun sets over the plains. Big cats are easily spotted here, and with a bit of luck, you might spot all the Big Five before the day's end. In the evening, return to the lodge for a delicious dinner and overnight stay.
